# *CHAIRMAN'S REMARKS*

The Municipal Board is established under, and operates in accordance with the provisions of *The Municipal Board Act*. Section 106(1) of that *Act* reads as follows:

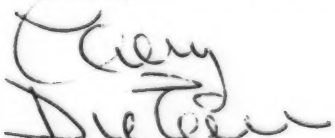
> **"106(1) The board shall on or before March 1 in each year transmit to the minister a report for the year ending December 31 previous, showing briefly**
> **(a) a summary of all applications made to the board under each Act of the Legislature under which such applications may be made, showing in each such summary**
> **(i) the number of applications received,**
> **(ii) the number of application approved or granted, and**
> **(iii) the number of applications rejected;**
> **(b) the number and nature of orders made pursuant to inquiries which it has held of its own motion;**
> **(c) the number of licences, permits, and certificates, issued and the fees collected by the board; and**
> **(d) such other matters as the Lieutenant Governor in Council directs."**

1999 was an eventful year; it was a year of change, challenge and commitment.

The Board is composed of 33 Members and of the 33, there are seven Acting Chairpersons. The Members represent both rural and urban Manitoba and bring to the Board a wide variety of experiences, with a focus on local government issues.

The appeals from decisions of the Boards of Revision continue to be the biggest challenge of 1999. The primary challenge continues to deal effectively with the outstanding and recent Winnipeg Assessment Appeals. As of January 1, 1999 there were 800 Winnipeg assessment appeals outstanding. During the year, 766 appeals were settled and 582 new appeals were received, leaving 616 outstanding as of December 31, 1999. The Board has made a commitment to deal with these and other challenges by arranging for additional hearing room space and staff to handle the expected workload.

The Board remains dedicated to the provision of the highest quality of service to the local authorities and to the public which we serve. The Board Members and the staff are to be commended for the manner in which they have committed themselves in dealing with the challenges faced by the Board.



Gerry Ducharme
Chairman
